Took a look down a westbound road right away I made
my choice
Headed out to my big two wheeler I was tired of my
own voice
Took a bead on the northern plains and just rolled that
power on

Twelve hours out of Machinaw City stopped in a bar to
have a brew
Met a girl and we had a few drinks and I told her what
I'd decided to do
She looked out the window a long long moment then
she looked into my eyes
She didn't have to say a thing I knew what she was
thinkin'

Roll roll me away won't you roll me away tonight
I too am lost I feel double crossed and I'm sick of
what's wrong and what's
right
We never even said a word we just walked out and got
on that bike
And we rolled
And we rolled clean out of sight

We rolled across the high plains
Deep into the mountains
Felt so good to me
Finally feelin' free
Somewhere along a high road
The air began to turn cold
She said she missed her home
I headed on alone

Stood alone on a mountain top starin' out at the Great
Divide
I could go east I could go west it was all up to me to
decide
Just then I saw a young hawk flyin' and my soul began
to rise
And pretty soon

My heart was singin'

Roll roll away I'm gonna roll me away tonight
Gotta keep rollin' gotta keep ridin' keep searchin' till I
find what's right
And as the sunset faded I spoke to the faintest first
starlight
And I said next time
Next time
We'll get it right
