Until you've been beside a man
You don't know what he wants
You don't know if he cries at night
You don't know if don't
Where nothing comes easy, old nightmares are real
Until you've been beside a man
You don't know how he feels

But once inside a woman's heart
A man must keep his head
Heaven opens up the door
Where angels fear to tread
Some men go crazy, some men go slow
Some men go just where they want
Some men never go

But, oh, blame it on midnight
Ooh, shame on the moon

(Piano solo)

Everywhere is all around
Comfort in the crowd
Ooh, shame on the moon
Stanger's faces all round
Laughing right out loud
Hey, watch where you're goin', step light on old toes
Until you've been beside a man
You don't know who he knows

But, oh, blame it on midnight
Ooh, shame on the moon
Oh, blame it on midnight
