Caroline Hecht - Night

Shelter me from this little mind
I don't know what to expect every time
I lay my head on that soft fluffy white pillow
Letting go giving up giving away my control
Well is this ever going to end
Is this all really happening
It's the alter ego of my life but I just can't seem
to get it right since when is everything so *****ed up
mad
It's the alter ego of my life but I just can't seem
to get it right these crazy crazy crazy crazy nights
Well i don't want to be terrified
Every time that i rest my eyes
I see the world in all of its horror every day
The last thing i want is to see it in my dreams that way
Well is this ever going to end
Is this all really happening
It's the alter ego of my life but I just can't seem
to get it right since when is everything so *****ed up
mad
It's the alter ego of my life but I just can't seem
to get it right these crazy crazy crazy crazy nights
There are things in life that I would never choose
But in my dreams they seem like the right thing to do
But i don't want I don't want to
Get a gun
