You don't seem to wanna go  
But that's alright with me  
Stay right here  
It's all for love  
And you got all I need  
'Cause I want you and you alone  
Take me here and now

I just wanna let you know  
When I'm with you, with you  
I'm not afraid, I'm not afraid  
It seems to me that we were ment to be much more  
than friends  
And all I want is you

Tell me that you want me  
Tell me that you need me here tonight  
Promise that you'll hold me  
'Cause I just wanna be with you for life

Tell me that you want me  
Tell me that you need me here tonight  
Promise that you'll hold me  
'Cause I just wanna be with you for life

Tell me that you want me  
(Tell me that you want me)  
Promise that you'll hold me  
(Promise that you'll hold me)

Tell me that you want me  
(Tell me that you want me)  
Promise that you'll hold me  
(Promise that you'll hold me)  
Cause I just wanna be with you for life  
Cause I just wanna be with you for life

You don't seem to wanna go  
But that's alright with me  
Stay right here  
It's all for love

And you got all I need  
'Cause I want you and you alone  
Take me here and now

It seems to me that we were ment to be much more

And all I want is you

Tell me that you want me  
Tell me that you need me here tonight  
Promise that you'll hold me  
'Cause I just wanna be with you for life

Tell me that you want me  
Tell me that you need me here tonight  
Promise that you'll hold me  
'Cause I just wanna be with you for life

Tell me that you want me  
(Tell me that you want me)  
Tell me that you need me here tonight  
Promise that you'll hold me  
(Promise that you'll hold me)  
'Cause I just wanna be with you for life

Tell me that you want me  
(Tell me that you want me)
