Con semilla satanica nacieron nilos malditos
Sangre de raza, las caras gabachos
La madre fue gata - el padre fue rico

Sangre vale menos que agua

Molestados de nilos, muchachos desobedientes
Les quitaban los calzones, corrian encuerados
Su padre culero, dando pinche cuerasos
Sangre vale menos que mecos
Nilos adultos huevones ricos
Feriados sin sudar una gota
Hermanos con ambiciones querian los millones
Sangre vale menos que lana

Hijos chiquidos, odiaban sus padres
Planieron a sangre fria chingarlos un dia
Hermanos malditos amaban el dinero

Sus almas venditos, con el diablo metido
Armados como banditos - padres medios dormidos
Balaciados por la espalda cayo muerto el padre
A la gata se le cavaron las vidas
Pobres pendejos los hermanos Menendez

Acuzados del crimen - se cagaron millones

[English translate: The Brothers Menendez]

With satanic seeds cursed children were born
The race's blood, American faces
Their mother was a cat - their father was rich
Blood was nothing more than water to them
Disturbed children, disobedient men
They took off their pants, they ran around...
Their father's belt, giving them welts
Blood was nothing more than cum to him
Adult children rich...
...without sweating a drop
Brothers with ambitions wanted the millions
Blood was nothing more than a lie

Pampered children, they hated their parents
They planned in cold blood to kill them one day
Cursed brothers loved money

Their sold souls, in league with the devil
Armed like bandits - parents half asleep
...in the back their father fell dead
They took the cat's lives
Poor assholes the brothers Menendez
Accused of the crime - they fucked up millions
