Quiero adictos, robachicos, tu madre
En la fiesta de brujos, los sacrificios son humanos
Ya saben que hacer soldados babosos
Traeme la cena o te hago caldo
Una sopa de sesos y sangre
Son mortales debiles - soy brujo poderoso
El rey Lucifer me manda a comer
Una sopa de sesos humanos
Diez brujos sentados con panzas ardiendo
Pa' el hambre satanica hay un remedio
Son mortales debiles - soy el brujo poderoso
Con drogas te traen - con machete caen
El padre obscuro me manda a comer
Sesos humanos
El alcalde, el presidente, el cardenal
Con huesos de gato y cabellos cristianos
Uas de judio y agua excusado
Sesos humanos y fruta de virgen
La hora de la cena ya esta aqui
Son mortales debiles - soy brujo poderoso
Ando harto de caldo maldito
La fuerza que tengo te va fregar
El machete te va chingar

[English translate: Human Brains (Sacrifice IV)]

I want addicts, children-robbers, your mother
In wizard's feasts, the sacrifices are human
Now you know what to do stupid soldiers
Bring me dinner or become broth
A soup of brains and blood
You are weak mortals - I am a powerful wizard
Lucifer the king commands me to eat
A soup of human brains
Ten wizards seated with eager bellies
For the satanic hunger there is a remedy
You are weak mortals - I am the powerful wizard
With drugs they bring you - with a machete you will fall
The dark priest orders me to eat
Human brains
The mayor, the president, the cardinal

With cat's bones and Christian hairs
Jew's nails and toilet water
Human brains and fruit of a virgin
Supper time is now here

You are weak mortals - I am a powerful witch
I am full of cursed broth
The power I have is going
