Ooooo....

I'm just trying to get by

I'm just buzzin on a sugar high

Yeah

Everybody moves so fast,

No Time to wonder why...

Yeah

I'm just trying to get by

Is it all in my head?

Is it all in my head

Could everything be so right without me knowing?

I'm just working for the man

I'm just trying to lend a hand

Yeah

And if I had a rocket ship, I'd never want to land

I'm just doing the best I can

Is it all in my head?

Is it all in my head?

Could everything be so right without me knowing

Is it all just some game?

Where everything stays the same

Is it all in my...

All in my...

All in my head?

Everybody needs a little love.

To make it all work out

But I'm still looking to the stars above

Hey Hey Hey!

It's all in my head.

It's all in my head.

It's all in my...

all in my...

all in my...

all in my...

all in my...

Is it all in my head?

Is it all in my head?

Could everything be so right without me knowing?

Is it all just some game

Where everything stays the same

Is it all in my

All in my...

All in my...  
All in my head?  
All in my head....?
