She gets high  
She gets low  
She lives her life straight  
Just like Serpico  
She starts to sneeze  
And announces "bless me"  
And wipes her nose  
On the shirt that says "Kill Whitney"  
She takes away  
The hurt real fine  
Kinda like ilstenin' to Jimi  
Or Patsy Cline  
Whirlin' around in the air  
People say she's crazy  
But she just don't care

But if I could see through Amy's eyes  
Chances are I would realize  
Somehow she sees  
Bluer skies than I do

She digs the Seeds  
And Johnny Cash  
But she hates Courtney Love  
With a passion  
She's got a mom she calls Denise  
Her daddy cuts hair  
But he always wanted to be a priest  
Heaven knows where she's from  
She blows me away  
Just like a machine gun

And if I could see through Amy's eyes  
Chances are I would realize  
Somehow she sees  
Bluer skies than I do

If I believe in myself  
If I were somebody else  
I'd run right up to her and say  
Your faith is my pride  
I gotta have you beside me

And if I could see through Amy's eyes  
Chances are I would realize  
Somehow she sees  
Bluer skies than I do

And if I could see through Amy's eyes  
Chances are I would realize  
Somehow she sees  
Bluer skies than I do
