Lately I have felt deep inside myself
Maybe something ain't right
I feel like I've been turned and put on the back burner
And there's no rescue in sight

Maybe I have changed but you know I feel the same
I still got this hunger in my bones
I'm going on an all night drive all the way to the other
side
There's a place I used to call my home

Hey I, hey I, I, I got something to tell you
Hey I, hey I, I, I never meant to hurt you
I gotta get my stuff and go
I gotta leave to free my soul

'Cause lately I've seen a different side of me
I don't know where I have gone
I'm killin' friend and foe somebody tell me so I know
Whose side I am on

It ain't the same as it used to be I gotta jump and I'll be
free
I guess the ground will break my fall
Lately I've been lost, I gotta find me an albatross
To lead me back into my port of call

Hey I, hey I, I, I got something to tell you
Hey I, hey I, I, I never meant to hurt you
I gotta get my stuff and go
I gotta leave to free my soul, free my soul

Hey hey

Lately I've been out of my head again
I don't know what I have found
I feel at home here, I'm not alone here
Lot of fucked up heads in this little town

But I never proved to be anything but an oddity
I guess, I'm better of alone

Hey I, hey I, I, I got something to tell you
Hey I, hey I, I, I never meant to hurt you
Hey I, hey I, I, I got something to tell you
I gotta get my stuff and go
I gotta leave to free my soul

Free my soul
Free my soul
Free my soul
Free my soul
