Capo 4th

It's 3am and the snakes have moved in,
I'm playing to 4 drunks and me,
but the beer is cold and the memories old
and the lights are so bright I cant see
And lonesome I know you to well,
You ring in my ears, just like a bell,
And your hollow Like a dark empty well
Lonesome, I know you to well

(Break)

Now time stands still
and it spins like a wheel
whenever I see her around,
but she doesn't know and I'll never show,
there's to many eyes in this town
And lonesome, I know you to well,
You ring in my ears just like a bell,
And your hollow Like a dark empty well,
Lonesome, I know you
It's 3am and the snakes have moved in!
