It's a dying ember
You can barely feel it
You can hardly see it
When the wind blows

And you can't remember
If it was the first time
Or if it was the last time
You still don't know

We keep waitin'
We keep waitin' so long
For you to come back home
Come back home

You keep fadin'
You keep fadin' away
Like nameless faces from yesterday
Yesterday

You couldn't wait any longer
Was there something else to find
Would ya give me some peace of mind
Or let me go

And now you can't remember
If it was the first time
Or if it was the last time
Well now you know

And we keep waitin'
We keep waitin' so long
For you to come back home
Come back home

And you keep fadin'
You keep fadin' away
Like nameless faces from yesterday
Yesterday
(yesterday)

Yeah we've been waitin'

We've been waitin' so long
For you to come back home

We've been waitin'
We've been waitin' so long
For you to come back home
Come back home
Come back home

You keep fadin'
You keep fadin' away
Like nameless faces from yesterday
