Words by Shawn Mullins

My time is your time after all that you've been through

Can you hear me calling you and this line that I'm
walking

Time it's pointing write to you

I'm living my life with you

So call on me I'll guard myself

Just wait and see

I'll start a brand new now

This time is the last time for me

My life is in your hands

You can take me all the way

This religion in war torn lands

The world has seen its better days
