"Egoistic"

I am
somehow stronger than you are
I am

I cry
somehow louder than you all
I cry

Chorus:
And in my heart I know
I am better than you all
And in my soul I have
that truth that means to me
Iâ€™m egoistic

I shout
somehow louder than you all
I shout

I cry
somehow harder than you all
I cry

Chorus

And I am what I am
And I feel how I feel
And I shout whenever I want
And I cry when Iâ€™m sad
And I know
And you know And we know
thatâ€™s how I am

Chorus
