Song - Contest'99:

AUSTRIA

Performed by Bobbie Singer.

Written by Dave Moskin.

When I'm sad  
I need a shoulder to cry on  
And when I'm bad  
You know that I am better  
When you're gone  
You're the one that I am thinking of  
And when I come  
It's to you that I run  
There's no need to be lonely  
I'll be there every time for you  
Isn't that the way it's supposed to be  
Sometimes memories will have to do  
Don't you recognise me  
I'm the one that you have seen  
The reflection in your eyes  
The reflection in your eyes  
They say it's long way to heaven  
But they are wrong  
'cause heaven is you  
And if I fall  
From grace everlasting  
There you are to make everything new  
And we can fly forever  
Wrap yourself around my emotions  
We can only make it better and better  
Don't ever think to doubt my devotions

Don't you recognise me  
I'm the one that you have seen  
The reflection in your eyes  
The reflection in your eyes  
The reflection in your eyes  
The reflection in your eyes  
Don't you recognise me  
I'm the one that you have seen  
The reflection in your eyes

The reflection in your eyes  
The reflection in your eyes  
The reflection in your eyes
