Well, a-baby, baby, come do some baby sittin' with me
Well, it's Saturday night and the folks aren't home, you
see

Well, I'm a nice little boy, so don't be afraid
Just kiss, hug, ooh yeah...
Baby, baby, do some baby sittin' with me
Baby sittin'... mmmmm...

The baby's sleepin' so I don't think he'll make us any
fuss

Well, there ain't nobody else at home to bother us
Well, a-turn down the lights, just to watch me ignite
We're gonna kiss, hug, ooh yeah...
Baby, baby, do some baby sittin' with me
Baby sittin'... mmmmm...

Oh yeah, we're gonna tuck him in
Oh yeah, now it's my lovely girl
Oh yeah, you are my baby-babe
Oh yeah, let's do some baby sittin'
Oh-oh-oh-oh-oooooooooh

Oh yeah, let's do some baby sittin'
Oh yeah, let's do some baby sittin'
Oh yeah, let's do some baby sittin'
