You know when you got that little young bitch on your team

She does be reckless as fuck, but she bad as fuck

So you keep her down, you feel me, she down for the team

Young bitch will ride for you

A Rolls Royce, shawty wanna smoke so Iâ€™m like roll up

She looking at my phone Iâ€™m like bitch hold up

She ask me bout my hoes and Iâ€™m like so what

She wanna fuck with me cause Iâ€™m like grown up

My young bitch, she need to grow up, she need to grow up

My young bitch, she need to grow up, she need to grow up

My young bitch, she need to grow up, she need to grow up

She drinks a lot so she throws up,

She drinks a lot and she throws up?

Her instagram is reckless, snorting lines for her breakfast

Flicks and all do that Netflix

Talking bout that sex shit

She wearing clothes that donâ€™t fit her though,

Acting all on my twitter hoes

Itâ€™s 1 oâ€™clock in the am, where the fuck did her sister go

Little baby bitch, mashes potatoes and gravy bitch

Lil young bitch, I swear to god she can take the dick

She crashed the whip, but her pussy good, she get away with it

She crashed the whip, but her pussy good, she get away with it

My young bitch, she turned up, she turned up

My young bitch, she turned up, she turned up

My young bitch, she turned up, she turned up

My young bitch, she turned up, she turned up

Shawty wanna smoke so Iâ€™m like roll up

She looking at my phone Iâ€™m like bitch hold up

She ask me bout my hoes and Iâ€™m like so what

She wanna fuck with me cause Iâ€™m like grown up
My young bitch, she need to grow up, she need to grow

She looking at my phone Iâ€™m like bitch hold up
She ask me bout my hoes and Iâ€™m like so what
She wanna fuck with me cause Iâ€™m like grown up
My young bitch, she need to grow up, she need to grow
up
My young bitch, she need to grow up, she need to grow
