Now I got some water

I told meet me in the bad... know the condom of the  
flashing  
... with it give me we in public  
Magic city Monday... the plastic on my  
So feelin like... tune ain't no way that I'll be.  
I'm... in your team for me  
We ain't even made to all no... money  
Sipping on rock shout out the... plus we ain't... my...  
So I know it's real... test my name to a...  
Nice body bust it... the body we get it  
Loud... that's my... play rare dray beats  
On your private... her I swear her body from Christian  
Dior

But watch it... fizz you want  
Rolls Royce strip your life  
And she... we don't hit the... with some hard way

I'm like mi casa su casa just gonna touch the living  
room  
... but never empty like he's made me...  
Here we're making move... they don't house... five

Got myself rolling early in the morning  
Hey girls keep showing  
Big boy is a team... Tokyo coast sign
