Is about to rock the block  
Rock the block  
If you're dancing all night  
Ãçâ, ñ~Till the morning light  
And I'm never gonna stop  
And I'm never gonna stop  
Rock the block  
If you're dancing all night

And I'm never gonna stop  
And I'm never gonna stop  
Rock the block, yeah
