Broke bitches, that's the shit I don't like
Fake bitches, that's the shit I don't like
Fake niggas, that's the shit I don't like
Snake bitches, that's the shit I don't like
I don't like, I don't like
I don't like, I don't like
I don't like fuck bitches, that's the shit I don't like
I don't like, I don't like
I don't like, I don't like
Fake niggas, that's the shit I don't like

I'm ridin' 'round in the covasack
And all these hoes wanna carp a copy
I'm a young boss, see I'm a thousand rockin'
And more plugs than a pull sack
I got low again cuz I'm in this too
And my handbag cuz my shit's so..
First class, takin' trips too
I'm in places bitches can't get to
I'm sick too, got mean vibes
Your team small, my team large
I'm spit crackin', they aim for it
My pussy cold and the pray for it
From my country I've seen tourists
With more green than the green forest
I'm party packin' you got a Benz sport
That type of shit to make a man barth
I'm such a young fool, smellin' like manure
Which means I'm the shit, you'll be drenched in catur
Princess in her Cadillac, ridin' with the motherfuckin'
queen and the ladera
Polo with the loto up
Packin' Jimmy Carter, million dollar dimes
I got a man with a frightening meaning of the gods
Then al the cunts swervin' in the kitchens
Cuz we fuckin' ballin' on 'em, Michael Erwin on these
bitches

Club bitches, that's the shit I don't like
Fake bitches, that's the shit I don't like
Fake niggas, that's the shit I don't like

Snake bitches, that's the shit I don't like
I don't like, I don't like
I don't like, I don't like
I don't like fuck bitches, that's the shit I don't like
I don't like, I don't like
I don't like, I don't like
Fake niggas, that's the shit I don't like

Daddy like to fuck me with the lights on
Long big nigga, call him python
Takin' nigga pictures on my iPhone
You know I'm still tippin', Mike Jones
Old school, lemonade
They ask me what I'm reppin', I'm a renegade
Eat these rappin' bitches like the dinner plate
Make them take my pussy on a dinner day
Plus I got them chickens on the interstate
If you don't get the picture let me demonstrate
I'm ridin' 'round with that dope boy, rims shine on that
dope toy
Dead run, if you say some
When them feds come I don't know him
I don't know him and I don't lie
Real fling, we gunfight
Aim at your brain with
That bang bang, good night

Broke bitches, that's the shit I don't like
Fake bitches, that's the shit I don't like
Fake niggas, that's the shit I don't like
Snake bitches, that's the shit I don't like
I don't like, I don't like
I don't like, I don't like
I don't like fuck bitches, that's the shit I don't like
I don't like, I don't like
I don't like, I don't like
Fake niggas, that's the shit I don't like

Smokin' on this dope, higher than a kite
This bitch don't love me now, she gon let me bite
Cause its sosa, that's that nigga that I like
I don't want relations, I just want a night
Cuz a thirsty bitch, that's that shit that I don't like
I've got Tats up on my arm cuz this shit is right
And I stunt so much it glows cuz I'm livin' life
I come up on the scene and I'm still in light
Bitch I'm half light, got me feelin' white
Bitch I'm Chief Keef, fuck you don't like?
And bitch we GBE, we just don't syke

A fuck nigga, that's that shit I don't like, nah

A snitch nigga, that's that shit I don't like, nah
A bitch nigga, that's that shit I don't like, nah
Sneak disses that's that shit I don't like
