Hey, hey, nappy Â...off  
Give it to me now, give it to me now  
Give it to me, give it to, give it to me now  
Give it to me, give it to, give it to me now  
Give it to me, give it to, give it to me now  
Give it to me, give it to, give it to me now

Catch me rolling through Holton, going 3 kilometers  
Lookin for a project chick with an ass focked out, tell  
the Â... girl  
I be ridin in slow motion, I got a clean impala girl,  
LetÂ's go out tonight  
DonÂ't you whip in 100 girl  
IÂ'm not trying to push your buttons, and nothing  
DonÂ't wanna make you feel rust into something  
Wanna be your caught up see honey  
On something thatÂ's waffling money  
See I know my game, tell she how I like it, I might blow  
that brain  
Uh IÂ'm a pimp and she know you lame  
Bitch you better know bout pain

Oh man, when I come around, she donÂ't know how to  
act  
She got me feeling like a pimp n tha Cadillac  
I got my beat down low, top back  
She got me feeling like a pimp n tha Cadillac  
They wanna try me, I better thing go click clack  
She got me feeling like a pimp  
Yeah they know me, know me  
IÂ'm riding slowly, slowly  
Put it down like that  
She got me feeling like a pimp

Well the motherfucker Â...be broke as shit  
But they collecting no doubt or tips  
But he respecting more game than a maple of poker  
chips  
To get the bitches with the open lips end up broken hips  
He never got it telling many lies, have him looking to  
the city skies

Get up in the kitty spot, cause Iâ€™m blessed with a look  
and assist, good sex Â…thatâ€™s some pretty eyes  
And he got me like uh, ah, ah, ok, hit me on the cellie  
when you wanna play  
Pocket full of money we can blow it all day,  
Show me what the Â… we can blow it your way

You know me, know me, we can keep it on the low key  
Say he wanna be my only, only, but you really gotta  
show me  
I think Iâ€™m ready to get my pimp on, slide up by my  
ownÂ…  
This motherfucker buying and he bumping no love  
In the caddie, shit, Iâ€™ma let him put it down and I know  
he gonn like that  
Tell me nigga can you buy that?  
Know you really wanna try that  
Baby can you lie back lay your head like a high hat  
Taking pictures on my iPad, look, Iâ€™ve been waiting all  
day for this  
If you really pimping can you pay for this  
I be having niggas going crazy for this  
He donâ€™t wanna go, he wanna stay for this  
And itâ€™s pimp, all a g, but logically  
Be running these hoes by allergy, and honestly, well

Oh man, when I come around, she donâ€™t know how to  
act  
She got me feeling like a pimp n tha Cadillac  
I got my beat down low, top back  
She got me feeling like a pimp n tha Cadillac  
They wanna try me, I better thing go click clack  
She got me feeling like a pimp  
Yeah they know me, know me  
Iâ€™m riding slowly, slowly  
Put it down like that  
She got me feeling like a pimp x 2
