Man, these bitches is awfully nasty
And these bitches keep walking past me
Either way, I'm a pimp for today
Put your bootie in the way and shake that shit
Now these niggaz is 'bout they bank
And these niggaz keep buying dranks
Flip scrips put my body on your lips
Get it closer to the tip and shake that shit

S H A to the W double N A, real bitch don't play
The eyes can't hide but the lips won't say
You're acting like the Dukes of the Fifth won't spray
It's okay, they gonna learn
Chi's most wanted bitch, wait your turn
Sac full of yum, I'm a make that burn

Y'all can't smoke none anyway
Wild ones, walk with a bitch through wild slums
Trying to figure out if they're scared of the hips or the
chips
Or they really can't talk to a bitch with wild guns
No games, hat to the side with low frames
Now I came in this industry killin 'em
Now they all feeling me, sipping on Henny with an O
with a gram

Man, these bitches is awfully nasty
And these bitches keep walking past me
Either way, I'm a pimp for today
Put your bootie in the way and shake that shit
Now these niggaz is 'bout they bank
And these niggaz keep buying dranks
Flip scrips put my body on your lips
Get it closer to the tip and shake that shit

C H I to the C A, G O, if you ain't been, don't go
My city's so fast, you react so slow
Your heart might stop and your blood won't flow
That ain't right, I stomp through the hood
With a grand on my feet like that ain't tight
Diamonds on my neck like that ain't bright
I come through and shut down on Saturday night

Hell yeah, you can kiss that and
Feel there, bring it right back
Don't mess with the frame if you don't know a thing
Six years in the game, I'm still here
Hold up, they mad 'cause the streets is sold up
I'm back on my feet, so watch for the cops, we'll never
stop
Just rep for ya block and throw it up

Man, these bitches is awfully nasty
And these bitches keep walking past me
Either way, I'm a pimp for today
Put your bootie in the way and shake that shit
Now these niggaz is 'bout they bank
And these niggaz keep buying dranks
Flip scrips put my body on your lips
Get it closer to the tip and shake that shit

M I D to the W E S T, better yet that's me
Most of y'all chicks gotta impress me
You say you got skills, put 'em up let's see
Show and prove, I hate to really see
What y'all goin' through, put on any beat
We could spit it in the street
From the west to the east, no south to the house
Just showing love, go home

The body on the flow is so grown
Whatcha gonna do, when you call to ya label
And ya gotta shed a tear 'cause you hear ya career's
Been post-poned, back up
Smart mouth bitches, get slapped up
Take it to the trap, get clapped up
Put it in ya brain that the female game's been wrapped
up

Man, these bitches is awfully nasty
And these bitches keep walking past me
Either way, I'm a pimp for today
Put your bootie in the way and shake that shit
Now these niggaz is 'bout they bank
And these niggaz keep buying dranks
Flip scrips put my body on your lips
Get it closer to the tip and shake that shit

Man, these bitches is awfully nasty
And these bitches keep walking past me
Either way, I'm a pimp for today
Put your bootie in the way and shake that shit
Now these niggaz is 'bout they bank

And these niggaz keep buying dranks
Flip scrips put my body on your lips
Get it closer to the tip and shake that shit
