I see you standing in the pouring rain.
The black and blue roses you're holding again
Trying to win, back my broken heart
These tales of beauty are making me weak
There full of cruelty and tears of deceit
Romeo and Juliet had the easy start

I'm just a hopeless romantic the way that it seems
I'm always gonna fall for the guy of my dreams
I can't help if I fall to hard
I'm just a hopeless romantic
But I never knew,
The guy I would fall for turned out to be you
And I know this is where we start, again.

You take my hand here we go again
You kiss my lips and my head starts to spin
But my heart is breaking and it hurts
To know I love ya, but when summer ends
I'll be alone and all of my friends
Will tell me that this will just get worse

I'm just a hopeless romantic, the way that it seems
I'm always gonna fall for the guy of my dreams
I can't help if I fall to hard
I'm just a hopeless romantic
But I never knew,
The guy I would fall for turned out to be you
And I know this is where we start, again.

The more you play this game
The more the time passes by
The more my love will fade
The more the roses will die
But I'm a hopeless romantic and nothing you do
Will ever stop my heart from keep to loving you

I'm a hopeless romantic, the way that it seems
I'm always gonna fall for the guy of my dreams
I can't help if I fall to hard
But I'm a hopeless romantic

And nothing you do
Will ever stop my heart to keep from loving you
And I know you will break my heart
