(I love the killer's song)

X8

I love the killer's song  
the song,  
the killer's song  
the song,  
the killer's song  
the song,  
the killer's song

I love the killer's song  
the song,  
the killer's song  
the song,  
the killer's song  
the song,  
the killer's song

I love the killer's song  
the song of underground  
I love the killer's song  
the song of underground  
I love the killer's song  
the song of underground  
I love the killer's song  
the song of underground  
(fundercarron)

X16

with the king of the night  
we fit with the light  
he's sexy, crazy  
his song starts in his mind  
he's a DJ in the dreams  
he's the king and I the queen  
we love each other in the dark  
and push  
play, or stop

(whisteling)

I love the killer's song  
the song,  
the killer's song

I love the killer's song  
the song,  
the killer's song

(the song, the killer's song  
the song, the killer's song)

I love the killer's song  
the song of underground  
I love the killer's song  
the song of underground  
I love the killer's song  
the song of underground
