Today is gonna be the day that they're gonna throw
it back to you By now you should've somehow realized
what you gotta do I don't believe that anybody feels
the way I do About you now backbeat,
the word is on the street that the fire in your heart
is out I'm sure you've heard it all before but you never
really had a doubt I don't believe that anybody feels
the way I do about you now And all the roads we have
to walk are winding And all the lights that lead us
there are blinding There are many things that I would
like to say to you but I don't know how Because
maybe You're
gonna be the one that saves me And after all You're my
wonderwall Today was gonna be the day but they'll
never
throw it back to you By now you should've somehow
realized
what you're not to do I don't believe that anybody feels
the way I do about you now And all the roads that lead
you there were winding And all the lights that light
the way are blinding There are many song that I would
like to sing to you, but I don't know how I said
maybe You're
gonna be the one that saves me And after all You're my
wonderwall I said maybe You're gonna be the one that
saves me And after all You're my wonderwall I said
maybe You're
gonna be the one that saves me You're gonna be the
one
that saves me You're gonna be the one that saves me
