Can I touch you, are you out of touch
I guess I never noticed that much
Geranium lover, I'm live on your wire
Oo come and take me whoever you are

She's a lot like you
The dangerous type
She's a lot like you
Come on and hold me tight

Oo inside angel, always upset
Keeps on forgettin' that we ever met
Can I bring you out in the light
My curiosity's got me tonight

She's a lot like you
The dangerous type
Oo she's a lot like you
Come on and hold me tight

Museum directors with high shaking heads
They kick white shadows until they play dead
They want to crack your crossword smile
Oo can I take you out for awhile, yeah

She's a lot like you
The dangerous type
She's a lot like you
Come on and hold me tight
She's a lot like you
The dangerous type
She's a lot like you
Come on and hold me tight
Tonight

She's a lot like you
The dangerous type
She's a lot like you
Come on and hold me tight
Tonight

She's a lot like you
The dangerous type, alright
She's a lot like you
Come on and hold me tight
(tonight) tonight

She's a lot like you
The dangerous type
Tonight
She's a lot like you
Come on and hold me tight
Tonight

She's a lot like you
The dangerous type
She's a lot like you
Tonight

She's a lot like you
The dangerous type
She's a lot like you
Come on hold me tight
Tonight

She's a lot like you
The dangerous type
She's a lot like you
Come on hold me tight
Tonight

She's a lot like you
The dangerous type
She's a lot like you
