"Good Times Roll"

Let the good times roll,
Let them knock you around
Let the good times roll,
Let them make you a clown

Let them leave you up in the air
Let them brush your rock and roll hair
Let the good times roll (repeat)

Let the stories be told,
Let them say what they want
Let the photos be old,
Let them show what they want

Let them leave you up in the air
Let them brush your rock and roll hair
Let the good times roll (repeat)
Good times roll

If the illusion is real,
Let them give you a ride
If they've got thunder appeal,
Let them be on your side

Let them leave you up in the air
Let them brush your rock and roll hair
Let the good times roll (repeat)

Let the good times roll
Won't you let the good time roll
Let the good times roll
Let 'em roll
Good times roll
Let the stories be told
Let them say what they want
