

Cars, The

"Magic"

Visit "[Magic](#)" on MotoLyrics.com

Summer, it turns me upside down
Summer, summer, summer
It's like a merry-go-round
I see you under the midnight
All shackles and bows
High shoes with the cleats a-clickin'
A tempermental glow

Don't you let me go
I got a hold on you
Got a hold on you
I got a hold on you tonight
I got a hold on you
I got a hold on you
I got a hold on you
That's right

Oh, oh it's magic
When I'm with you
Oh, oh it's magic
Just a little magic
You know it's true
Got a hold on you

Ooh twisted under sideways down
I know you're getting twisted
And you can't calm down
I see you under the midnight
Love darts in your eyes
How far can you take it
Till you realize
There's magic in your eyes

I got a hold on you
Got a hold on you
Got a hold on you tonight
Got a hold on you
Got a hold on you
Got a hold on you
Yeah, oh

Oh, oh it's magic
When I'm with you
Oh, oh it's magic
Just a little bit of your magic
Pulls me through
You know it's true
Got a hold on you

I got a hold on you
I got a hold on you
Got a hold on you
Got a hold on you
Got a hold on you
That's right
It's magic

Oh, oh it's magic
When I'm with you
Oh, oh it's magic
Just a little magic inside of you
You know it's true
Got a hold on you
