I really love the way you talk
I don?t mind sayin? so
And oo I love it when you da-ance
So silky slow
O baby please don?t go

I know you refuse to get involved
You won?t help me out none
You run around like a paperdoll
Pretending it?s fun
O baby please don?t run

Somethin? in the night just don?t sit right
Looks like I?m gonna be up all night, yeah

It's been such a long time
Since I held you
I said it's been such a long time
Since I held you
Oo oo such a long time
Since I held you

I won't forget the way you said
It doesn?t bother you much
Tutor impressions in your he-ead
Just before the last touch
That meant so much

Somethin' in the night just don't sit right
Looks like I'm gonna be up all night, yeah

It?s been such a long time
Since I held you
I said it's been such a long time
Since I held you
Oo oo such a long time
Since I held you

It's been a long time
It's been a long time
It's been a long time

Such a long time

Well, it's been a long, long time
I said it's been a long, long time
It's been a long time
Since I held you
Oo oo such a long time
Since I held you
