I don't care what they say
I'm gonna keep it anyway
I won't let them stretch their necks
To see my little black egg with the little white specks

Chorus:

I found it in a tree
Just the other day
And now it's mine, all mine
They won't take it away

Verse 2:

Here comes Mary, here comes Lee
I'll bet what they want to see
I won't let them stretch their necks
To see my little black egg with the little white specks

[repeat chorus]

Verse 3:

Oh, goldurn, what can I do?
The little black egg's gonna tell on you
I won't let them stretch their necks
To see my little black egg with the little white specks

The little black egg... [repeat to fade]
