"You Are The Girl"

Why don't you dream anymore
What's in the way
How come you point to the door
And ask me to stay
Why don't you flash that smile
Like you used to do
Why don't you stay for awhile
It's up to you
You are the girl
That keeps me up at night
You are the girl
That makes me feel alright
You are the girl
You give me a twirl
You are the girl
In my dreams
Why don't we talk anymore
What did i say
How is it what i came for
Is floating away
