You might think I'm crazy  
To hang around with you  
Maybe you think I'm lucky  
To have something to do  
But I think that you're wild  
And inside me is some child

You might think I'm foolish  
But baby it's untrue  
You might think I'm crazy  
All I want is you

You might think it's hysterical  
But I know when you're weak  
You think you're in the movies  
And everything's so deep  
But I think that you're wild  
When you flash that fragile smile

You might think it's foolish  
What you put me through  
You might think I'm crazy  
All I want is you

And it is hard, so hard to take  
There's no escape, without a scrape  
But you kept it going 'til the sun fell down  
You kept it going

You might think I'm delirious  
The way I run you down  
But somewhere, sometimes  
When you're curious  
I'll be back around  
And I think that you're wild  
And so-o uniquely styled

You might think it's foolish  
This chancy rendezvous  
You might think I'm crazy  
But all I want is you

All I want is you  
All I want is you
