As long as you love me [x3]

We're under pressure,
Seven billion people in the world trying to fit in
Keep it together,
Smile on your face even though your heart is frowning
But hey now, you know, girl,
We both know it's a cruel world
But I will take my chances

As long as you love me
We could be starving, we could be homeless, we could
be broke
As long as you love me
I'll be your platinum, I'll be your silver, I'll be your gold
As long as you love, love, love, love me
As long as you love, love, love, love me

I'll be your soldier,
Fighting every second of the day for your dreams, girl
I'll be your whole world
You can be my Destiny's Child on the scene girl
So don't stress, don't cry, we don't need no wings to fly
Just take my hand

As long as you love me
We could be starving, we could be homeless, we could
be broke
As long as you love me
I'll be your platinum, I'll be your silver, I'll be your gold
As long as you love, love, love, love me
As long as you love, love, love, love me

I don't know if this makes sense, but you're my
hallelujah
Give me a time and place, and I'll rendezvous, and I'll
fly you to it,
I'll beat you there
Girl you know I got you
Us, trust...
A couple of things I can't spell without you

Now we are on top of the world, that's just how we do
Used to tell me sky's the limit, now the sky's our point
of view
Yeah we stepping out like, "Whoa" Oh Gosh
Cameras point and shoot
Ask me what's my best side, I stand back and point at
you
You, you the one that I argue with,
I feel like I need a new girl to be bothered with,
But the grass ain't always greener on the other side,
It's green where you water it
So I know we got issues baby true true true
But I'd rather work on this with you
Than to go ahead and start with someone new
As long as you love me

We could be starving, we could be homeless, we could
be broke
As long as you love me
I'll be your platinum, I'll be your silver, I'll be your gold
As long as you love, love, love, love me
(We could be starving, we could be homeless, we could
be broke)
As long as you love, love, love, love me
(I'll be your platinum, I'll be your silver, I'll be your gold)
As long as you love, love, love, love me
As long as you love, love, love, love me

As long as you love me, you love me, please never go
As long as you love me, you love me, you love me, so
what is all baby *?*

As long as you love me
