[Intro - The-Dream]

Oh Yeah

You know where I'm from

You know where I stay

I'm posted in the A

Sittin' low in my Phantom ridin' high

Every time I ride by

Nigga I'm the shit

But not like this

Up in this bitch

A T L A N T A

I can do this all day

[Chorus - The-Dream]

You know where I'm from

You know where I stay

From my hat to my socks

Im posted in the A

My Chevy sittin' low

My Phantom ridin' high

Them A's go up every time I ride by

Shawty what's up

I'm the shit

Yeah you can do it

But not like me

Westside

Up in this bitch

A T L A N T A

I can do this all day

[Verse 1 - Shawty Lo]

Let me take you through the streets of Atlanta, GA

Where we party all night til the mornin break

Vision's on Sunday

Magic City Monday

Two dolla Tuesday

Yeah you know Shawty comin

Bodytap Wednesday

Pier on Thursday

Bottles on ice case the girls get thirsty

Esso Friday

Goons in the lobby

Ye told me don't hurt nobody
Crucial on Saturday
Stationed while you askin' me
Headed to the door 'bout to see what's hannenin
So when we in the spot
Yeah you know we clown
Peace up, A-town down

[Chorus]

[Verse 2 - Ludacris]

When we began the whole world started hatin' on us
Now every time we drop the whole world waitin' on us
Now when you talk we in the best of ya five
They sayin' hip hop dead
I say we kept it alive
A-town
And don't you eva get it confused
'Cause we the ones who sold it to the dude that sold it
to you
First album out the trunk I started makin' some bills
And in 6 short years I sold 15 mill'
Act a fool in College Park
Went to school in College Park
Bought a crib in College Park
And still live in College park
You can't tell me nothing
So fuck what you say
I wasn't born but I'ma die in Atlanta, GA

[Chorus]

[Verse 3 - Gucci Mane]

I had the city on my back
But now I wear it on my neck
800 thousand dollars worth of diamonds just to flex
That Wayne Williams shit was sick
Sidney Dorsey trial was thick
Love Atlanta
Give a million up just to get back Michael Vick
They said that this the land of strippers
But look all our girls are thick
She so fine
Don't dance no where
But I feel that she need a tip
If Gucci give you 16 then it's just like 20 bricks
Off the sidewalk
Zone 6 off in this bitch
Came off Atlanta sick
I remember
Seen the police then I sprint

I done been around the world, prolly 3 times
I'm still in the hood, on the Eastside

[Bridge - The-Dream]

A T L A N T A

Nigga I can do this all day

See LA put me on

Then I cracked up on that come on

Anything that run up, get done up (Done up)

All of the girl in the A got that Love Hate up in they

Honda (Honda)

And the niggas love me 'cause I keep they girls up in
the Hummers(Hummers)

You know I keep my government name all up in ya cd
changer

I done wrote every song that you like,

don't look at me like I'm a Mothafuckin'
stranga

I shout out my city every time I write a hit

Umbrella ella ella eh

[Chorus]
