

Shawty Lo "Dopeman"

Visit "[Dopeman](#)" on MotoLyrics.com

Dopeman, dopeman, yeah that's me
I got so much dope I make summer free
Lame ass nigga don't play with me
I put so many shots like new year's eve

Dopeman, dopeman, dopeman

[Hook:]

Dopeman, dopeman, yeah that's me
Dopeman, dopeman, yeah that's me
Dopeman, dopeman, yeah that's me
Never seen or heard that, yeah that's me
Dopeman, dopeman, yeah that's me
Dopeman, dopeman, yeah that's me
Dopeman, dopeman, yeah that's me
Never seen or heard that, yeah that's me

Dopeman, snowman, yeah that's me
I got so much dope I make summer free
Lame ass nigga don't play with me
I put so many shots like new year's eve
Stand up cause I ain't standing down
West side's on 1, I run this town
I don't care for a home I'm wet as crown
I'm so 100 hunder, big tits show down
80 for the chicks, 3 for the keisha
Half for the niggas, hurry up come get it
Yeah and why they call you dopeman
It's obvious, cause I got the dope, man!

[Hook:]

Dopeman, dopeman, yeah that's me
Dopeman, dopeman, yeah that's me
Dopeman, dopeman, yeah that's me
Never seen or heard that, yeah that's me
Dopeman, dopeman, yeah that's me
Dopeman, dopeman, yeah that's me
Dopeman, dopeman, yeah that's me
Never seen or heard that, yeah that's me

Hunned thousand dollars worth a fluck a chicken

Then fly across the border, boy you see them bitches,
ok
And ever since the first they ask I'm in the kitchen
Them band skat tickle like the bitches here
I break them bosses down like receiver tickets
Treat the easter thing, cody make me excellent
Wrap her real good, dogs can't smell
My niggas locked down, they all getting bail
What you need maine, I got it in the bag
If you want the purp, the trunk or the jag
Yeah I got the burb, show you how to fly
Like a chineseese food, hurry up and buy

[Hook:]

Dopeman, dopeman, yeah that's me
Dopeman, dopeman, yeah that's me
Dopeman, dopeman, yeah that's me
Never seen or heard that, yeah that's me
Dopeman, dopeman, yeah that's me
Dopeman, dopeman, yeah that's me
Dopeman, dopeman, yeah that's me
Never seen or heard that, yeah that's me.
