*[Intro]*

(I love you daddy~!)  
Awww, I love you too  
Hood nigga; yeah, I told you I would  
I told you I would - hey!  
Hey, ay

*[Chorus: repeat 2X]*

It feels good to be here *[3X]*  
I musta done somethin right here, the kid right here

*[Shawty Lo]*

Ninety-three, my granny left me  
So confused, my home is the streets  
For although I chose to stand  
I was like, "Damn what about me, and?"  
A young teen forced to be, a grown man  
Who idol was Michael Jordan, not a dopeman  
"Dopeman, Dopeman" yet it's me  
And ever since I heard that, yeah that's me  
A 9th grade dropout, got a rock at the park  
Me and Kurt ridin dirt, servin slims out the car  
Dope boy fresh boy man I swear I was ballin  
Fit from Kel, got my kicks from Walter

*[Chorus]*

*[Shawty Lo]*

They say I lucked up to get where I am

Real talk nigga I'm the man  
(?) can't understand  
Grindin every nigga if I didn't, did and  
Yeahhh, I ran the bitch like Nino  
See Lo man but my real name Carlo  
Hood rich nigga comin straight from the kennel  
(?) Street, Shawty Lo, Jay Leno  
Yeah I'm im-proved  
I made it do the do  
D4L, who would ever knew  
I musta dona something right, right? Yeahhhh

*[Chorus]*

*[Shawty Lo]*

Oh yeah, I got love for you haters  
You really motivate a player  
Ayy, I couldn'ta did it without ya  
On the real, still did it without ya  
Grandma, I told ya I got'cha  
You told me I could and you told me I can  
Never had doubt, in your lil' man  
I swear to God you're the reason I stand  
All I'm sayin

*[Chorus]*

*[telephone skit:]* "I'm in the booth right now, I'll call you  
right back"
