And money is the business so it get handled you dig

(Shawty Lo:Verse)

My shoes, I walk around with your red ones
Red bottoms,this white cost more than a brick home
Heroin blown,get diamonds,little more like rhyme
stones
My cases as shit, rocked up like Flinstones
I'm Shawty ,fetching up since 93
Got gas, that beat peel talking 93
Yo bitch in the club tryin' to meet with me
And she knows ,I'm in this beat start crocked me

(Cash Out: Chorus)
