[Chorus]

Are you ready to break the next one?
Yeah, yeah! I tell her pretty girl, keep that motor
running,
She poked that thing out...
She poke that thang out like her name was pocahontas
Shorty look half indian never say a thang
'Till I pull that money out and wave it in her face
Then she be like "I can make it rain!"
I can make it rain
I can make it rain
I can make it rain
I can make it rain

Southern smoke!
New school, old school,...
Hard school, mother fucker I'm hot!
Like walking...
I can make it rain, money ain't a thing,
She's a sex chase, do whatever for the pray!
... up now, up now,...
Get up, get, get it, get down!
Get up, get, get it, get down!
I see you girl!
... rub her pants,
She do it no hands,
Big shit rapping, I'm the man!

[Chorus]

Are you ready to break the next one?
Yeah, yeah! I tell her pretty girl, keep that motor
running,
She poked that thing out...
She poke that thang out like her name was pocahontas
Shorty look half indian never say a thang
'Till I pull that money out and wave it in her face
Then she be like "I can make it rain!"
I can make it rain
I can make it rain
I can make it rain
I can make it rain

Southern smoke,...
Momma look... she got the best hair!
Come on over to the scene...
Take a table in front of me to take a look at that thing.
Turn it upside down and open your legs,
If you're real cool, I'mma put the paper over to pussy
like I feel good!
Touch down, that is super slow,
... me throwing money, she's about to win a super...
And you know... keep it coming... get it in the block!
... get the motor, on, girl! don't stop
... she shake that,... she work that,
I'mma do another hundred, would she pop that!
And she dropped that, and she tore that
I'mma do another hundred,...
I'mma do it for my nigger...
Show me how you're working from the top to the
bottom of a pole.

[Chorus]

Are you ready to break the next one?
Yeah, yeah! I tell her pretty girl, keep that motor
running,
She poked that thing out...
She poke that thang out like her name was pocahontas
Shorty look half indian never say a thang
'Till I pull that money out and wave it in her face
Then she be like "I can make it rain!"
I can make it rain
I can make it rain
I can make it rain
I can make it rain

Strippers get excited when I get up in this...
Got that... and no limit in this show.
Ain't no... with that flow, ain't no women at the shows,
Would I've been speaking... like I'm getting bitches
dough!
... I will make that pussy holler!
... we are in that... city, making rain, voila!
My apologies let me give you acknowledgement,
Notice they're... I'm simply giving...

[Chorus]

Are you ready to break the next one?
Yeah, yeah! I tell her pretty girl, keep that motor
running,
She poked that thing out...
She poke that thang out like her name was pocahontas
Shorty look half indian never say a thang

'Till I pull that money out and wave it in her face
Then she be like "I can make it rain!"
I can make it rain
I can make it rain
I can make it rain
I can make it rain
