Course:

put me in the freezer cuz im so icy (2)
put me in the freezer, put me put me in the freezer,
p-p-put me in the freezer cuz im so icy (repeat)

verse 1 (Baby D):

Its baby D, Gucci shawty low we gotta be a hit
i walk up in the club chain hangin to my dick
i kno that im the shit, so haters start talkin down on me
keep a full pound on me so keep em down homie
bout a half a mill on me look at my wrist
the whole interstar dont shine like this
bitch im rich gotta in glu watch
put me in the freezer, cuz im so hott
im so icy from my head to my feet
that i dont ride, i glide down the streets
these chains aint cheap, these frames aint cheap
if you aint talkin bout money shawty then dont speak
put me in the freezer right next to the beef
my chain 56s grams to oz's
take them shades down then you can clearly see
that errybody in the A icy like me

(course)

verse 2 (Gucci):

itz the opposite of baller hi dawg its real cold
the opposite of big clay cousins will dro
where the price high, Gucci price low
chain hang low cuz Gucci said so

if a hater see my chain then you kno he wanna fight me
firss still change the party dawg alwayz bring em to the
light
oh no Gucci mane, bout ta (?)
wit the blue n white chain it could change the whole
world
ima ice yo see the light show
club night club right Gucci shawty hello bright
grey stones red stones yellow lights bigger is so bright
i could use it as a flashlight

so icy ima bout to fall

(course)

verse 3 (Shawty-Lo):

yea im so hott, but still so cool

i keep the heater on me cuz i rock dem cool

wit dem ice cubes?

shawty thts wuts hannin

yea rondaa whispered im the o-straight jackson

ima walkin freezer, ice straight carried

ima walk easier , im not average

baby on my wrist sayin he so flashy

and they glued together like front street and (?)

yeah.. the press don't matter

I keep that fave heater

I could spend a lot of cheddar

When you get money, you can do whatever

Slashes on my face I can see a little better

(course)
