Such a fine fine day
Rain has gone away
Won't be long now
Freedom
It's a suicide ride
To the other side
Time has finally come
Freedom
(chorus)
So take your angel wings outside
Baby lift them up to the open sky
Freedom
I miss your pretty face
And your jazzabelle ways
Take it all and run
Freedom
Hear the angel sing
And hear the bells ring
Love is everything
So take your angel wings outside
Baby lift them up to the open sky
Freedom, Freedom
(instrumental)
So take your Angel wings outside
Baby lift them up to the open sky
Freedom, Freedom
(instrumental)
