my life is brilliant my love is pure
i saw an angel of that im sure
she smiled at me on the subway
she was with another man
but i wont lose no sleep on that
cuz ive got a plan

your beautiful, your beautiful
your beautiful, its true
i saw your face in a crowded place
and i dont know what to do
cuz i'll never be with you

well she caught my eye as we walked on by
she could see from my face that i was flying high
and i don't think that ill see her again,
but we shared a moment that will last till the end

your beautiful, your beautiful (your beautiful)
your beautiful, its true (its true baby)
i saw your face in a crowded place(i just dont know
what to)
and i dont know what to do (dont know what to do)
cuz i'll never be with you

ba da da
ba da da da
ba da da da ohh

your beautiful (your beautiful)
your beautiful (beautiful)
your beautiful, its true (its true ohh)
i saw your face in a crowded place
and i dont know what to do (dont know what to do)
cuz i'll never be with you
(ohh your beautiful ooo)
cuz ill never be with you
cuz ill never be with you
