Ain't you ever gonna love me
Ain't you ever gonna try
Ain't you ever gonna kiss me
If you don't I'm gonna cry
Ain't you ever gonna squeeze me
Ain't we ever gonna hug
If you never gonna please me
I'll go crazy as a bug

Ain't you gonna, ain't you gonna, ain't you gonna
Don't you wanna, don't you wanna, don't you wanna
Be my steady, be my steady, be my steady, be my
steady
'Cause I'm ready!

Ain't you ever gonna let me
Get you closer up to me
Ain't you ever in the mood love
Ain't you ever gonna be

Ain't you ever gonna tell me
All the things I wanna hear
Ain't you ever gonna whisper
Pretty nothings in my ear
Ain't you ever gonna give me
Any sugar, honey chile
Ain't you, ain't you ever gonna
Let me love you for a while

Ain't you gonna, ain't you gonna
Ain't you gonna, ain't you gonna
Don't you wanna, don't you wanna, don't you wanna
Be my steady, be my steady, be my steady, be my
steady
'Cause I'm ready!

Ain't you ever gonna let me
Get you closer up to me
Ain't you ever in the mood love
Ain't you ever gonna be
Ain't you gonna, ain't you gonna

Ain't you gonna, ain't you gonna
