[Chorus]

Oh, beautiful baby with beauty-beauty-beautiful eyes
Oh, beautiful baby with beauty-beauty-beautiful eyes
Oh, beautiful baby, you're the one I idolize

I got one dollar, but I owe the store man too
Well, I got one dollar, but I owe the store man too
If he don't catch me, gonna spend my dollar on you

[Chorus]

Like an old hounddog with his good eye on a bone
Like an old hounddog with his good eye on a bone
I'm warning all the fellows that they better leave you
alone

[Chorus]

Oh, mama-mama-mama, little mama don't you be so
mean
Oh, mama-mama-mama, little mama don't you treat
me mean
Oh, mama you're the cutest little mama I've ever seen

[Chorus]
