Well, I'm gonna find Big Sandy
I'm gonna find Big Sandy
I'm gonna find Big Sandy
I'm gonna find Big Sandy
I'm gonna find Big Sandy before I die

Well, Sandy she's my woman
She's so long and tall
Well, if I don't find that woman
Well, I won't find one at all
Well, I'm gonna find Big Sandy before I die

Well, I'm gonna find Big Sandy
Well, I'm gonna find Big Sandy
Well, I'm gonna find Big Sandy
I'm gonna find Big Sandy
I'm gonna find Big Sandy before I die

Well, I bought her lotsa furs
And a big long Cadillac
Well, then she went a-steppin'
Well, as soon as I turned my back
Well, I'm gonna find Big Sandy before I die

Well, I'm gonna find that woman
The one that stole my heart
Well, if I don't find that woman
Well, I'll tear this town apart
Well, I'm gonna find Big Sandy before I die

Well, I'm gonna find Big Sandy
I'm gonna find Big Sandy
Well, I'm gonna find Big Sandy
I'm gonna find Big Sandy
I'm gonna find Big Sandy before I die
