feat. Marissa Nadler

, what you, you're on your best,  
When you go off, good time  
Gonna , what you know  
You're on , mind,  
When you go off, good time

That I'm nobody's fool  
And I got nothing else  
Well I'm nobody's fool  
I got nothing else  
Yeah I'm nobody's fool  
I got nothing else  
What you, your best friend

Fake pretend,  
That I'm nobody's fool  
And I got nothing else  
Well I'm nobody's fool  
I got nothing else  
Yeah I'm nobody's fool  
I got nothing else

Meeting you ,  
Our love was in mad hell  
You're feeling, memories of ,  
I'm gone  
You're feeling, memories of ,  
I'm gone  
You're feeling, memories of ,  
I'm gone  
You're feeling, memories of ,  
I'm gone.
