Look at me  
I'm climbing up a ladder

And I'm half-way bound with reaching for the stars.  
No  
I don't have time to swing  
no time for laughter

But a voice inside my head keeps singing loud.

Let it swing and let it rock and roll

Let it swing and let the feeling take control.  
Oh  
ah  
oh  
let it swing and let it rock and roll.

There's a guy on top who's sittin' fine forever

Got the world and everything that's called the best.  
Now he don't say much unless there's room for talking

Just a sign above the door to his success.  
Let it swing and let it rock and roll

...

No  
you don't have time to swing  
no time for laughter

A voice inside your head keeps singing loud  
singin' loud.  
Let it swing and let it rock and roll  
...

Let it swing and let it rock and roll

Let it swing and let the feeling take control.  
Oh  
ah

oh  
let it swing and let it rock and swing  
And let it roll and swing and let it rock and roll.
