[Announcer:]

Ladies and gentlemen

I'd like to introduce to you. . .

Christina!

[Christina: (Spoken)]

It's about time

Yeah

It's about time

Yeah

C'mon

It's about time you get to know me

Everything in my life has been about timing

My business life

Personal life

I would've given in to what everybody else  
wanted

For certain things happened when they

weren't supposed to

I feel I wouldn't be in the position I am today

I feel blessed

[Christina: (Singing)]

It's my time to live, my time to see

It's time that you get to know me

It's my time

It's about time

It's my time to live, my time to see

It's time that you get to know me

It's my time

Oh ooh

Ahhh. . .
