She was a long lean Mississippi queen  
Longest legs a dancer they ever had seen  
She could lay it on something strong  
But her heart was cold as her legs were long

She was hot, fast, Tennessee trash  
Who only mentioned love with Jack Daniels and Johnny  
Cash  
She could lay like a pistol with a heart shaped mouth  
Well she shake it, she could teach 'em what they don't  
know how

Well Tennessee said to the Mississippi queen  
This ain't no place for no southern belle  
We oughta rob the bar,  
the club cherry tar,  
and get away in our coupe de'ville

You can't catch em  
Two fast women  
In an American made machine  
Saying it's alright if you wanna go with me

Well it was easy son  
The bartender was conned  
So rally miss molly with her nose on floor  
The band was high  
They were doing it right there  
Some rockabilly music made me shimmy all night.

Well Tennessee said to the Mississippi queen  
This bitch is deader than a ball and gag  
The cash be takin'  
But the keep ain't lookin'  
WE got this fat bastard in a bag.

You can't catch 'em  
Two fast women  
In an American made machine  
Sayin' it's alright if you wanna go with me  
It's alright if you wanna go with me.
