E' arrivato il momento
Io non posso aspettare
E' un momento perfetto
Per decidere di andare.

Vorrei farvi vedere
L'arida terra su cui cammino
Tutti i segni del fuoco
E dove crescono i loro bambini.

Not in some distant place
Not a far away day
If I stumble and fall down
I will stand up again.

In the light of the dawn
I'll see the birds soar beyond the wall
I'll give them my strength
I cannot believe in the end of the world.

And so I shall go
In the rage of the storm
'cos only on earth
I find heaven.

Rachel hold her head high
Against the storm,
Rachel hold her head high
Against the storm.

Come il cielo e la terra
Noi ci incontreremo
Dopo il sogno e la veglia
Noi ci incammineremo.

We dance on the edge
We challenge the fear of the void
We cannot allow
This fall towards the end of the world.

And so I shall go

In the rage of the storm
'cos only on earth
I find heaven.

Rachel hold her head high
Against the storm,
Rachel hold her head high
Against the storm.
