Sometimes I feel the fear of uncertainty stinging clear

And I can't help but ask myself how much

I'll let the fear take the wheel and steer

It's driven me before, it seems to have a vague

Haunting mass appeal

Lately I'm beginning to find that

I should be the one behind the wheel

Whatever tomorrow brings, I'll be there

With open arms and open eyes yeah

Whatever tomorrow brings, I'll be there,

I'll be there

So if I decide to waiver my chance to be one of the hive

Will I choose water over wine and hold my own and  
drive, oh oh

It's driven me before, it seems to be the way

That everyone else get around

Lately, I'm beginning to find that when

I drive myself, my light is found

Whatever tomorrow brings, I'll be there

With open arms and open eyes yeah

Whatever tomorrow brings, I'll be there,

I'll be there

Would you choose water over wine

Hold the wheel and drive

Whatever tomorrow brings, I'll be there

With open arms and open eyes yeah

Whatever tomorrow brings, I'll be there,

I'll be there
