You always make me smile, when iÃ, 'm feeling down

You give me such a value

I still believe i wanna fight

ItÃ, 's not the way you walk

And it ainÃ, 't the way you talk

It ainÃ, 't the job you got

That keeps me satisfy

Your love feels so good

And thatÃ, 's what takes me high, high that iÃ, 've been
before

Your love that keeps me alive, oooh i should let you
know

But you touch in me so much when iÃ, 'm alone at night

ItÃ, 's you iÃ, 'm always thinking of

Ooh ooh baby

Ooh wonÃ, 't you understand how i feel yeah deep
inside

A-ha you made me feel

what i need to feel yes in my heart

Your love feels so good

And thatÃ, 's what takes me high, high that iÃ, 've been
before

Your love that keeps me alive, oooh i should let you

know

But you touch in me so much, when iÃ, 'm alone at night

ItÃ, 's you iÃ, 'm always thinking of

Ooh ooh baby

Your love feels so good

And thatÃ, 's what takes me high, high that iÃ, 've been
before

And your love that keeps me alive, oooh i should let
you know

But you touch in me so much, when iÃ, 'm alone at night

ItÃ, 's you iÃ, 'm always thinking of

Ooh ooh baby

Your love feels so good

And thatÃ, 's what takes me high, high that iÃ, 've been
before

And your love that keeps me alive, oooh i should let
you know

But you touch in me so much, when iÃ, 'm alone at night

ItÃ, 's you iÃ, 'm always thinking of

Ooh ooh baby

Your love feels so good

And thatÃ, 's what takes me high, high that iÃ, 've been
before

And your love that keeps me alive, oooh i should let
you know

But you touch in me so much, when iÃ, 'm alone at night

ItÃ, 's you iÃ, 'm always thinking of

Ooh ooh baby

Your love feels so good

And that's what takes me high, high that i've been
before

And your love that keeps me alive, oooh i should let
you know

But you touch in me so much, when i'm alone at night

It's you i'm always thinking of

Ooh ooh baby

Your love feels so good

And that's what takes me high, high that i've been
before

And your love that keeps me alive, oooh i should let
you know

But you touch in me so much, when i'm alone at night

It's you i'm always thinking of

Ooh ooh baby
